In November, Question #2 on the ballot will ask if you want to eliminate the requirement that students pass the MCAS to graduate high school. Students will be granted a diploma if they meet all requirements set by their local school district.

Can we count on you to join us in voting YES on Question #2?

Yes\_\_\_ No\_\_\_ Unsure\_\_\_

To ensure Question #2 passes, we need to inform voters about Question # 2. Would you be willing to help secure passage by doing any of the following? (Check all that apply .)

Secure five commitments from friends and family to vote yes?

Talk to community members at Open House/Back to School Night?

Canvass in the Community?

Phonebank? (This can be done from your home.)

**FLIP OVER THERE IS MORE ON THE BACK.**

We enter negotiations again this year for both of our contracts. We want to prepare ahead of time, so we are hopefully not left again with expired contracts.

To support your union in bargaining, which of the following are you willing to do? Again, check all that apply.

Serve on the bargaining team.

Serve as a silent representative in bargaining.

Serve on the Contract Action Team (CAT).

Talk to community members about our proposals.

Any other ideas you have about how you can help secure the contracts we deserve?
