VP Report

Sable Johnson (HS) -

1. Flex Block (WIN) - Software doesn't allow for all students to be on at the same time.
2. There is one HVAC person for the municipality and that person has been out for a considerable amount of time and there isn't a plan on a return date.
3. Getting building information for subs - safety guidelines, procedures, etc.
4. Do lesson plans need to have the curriculum standards in them? The understanding is standard needs to be referenced in lesson plan somewhere. Number of standard is not required.

Curtis Miarecki (Intermediate)- n/a for Doering/JHS

Kristy Dyer (Elementary)- ECC- transportation issue at Sapelli School-paras told to stay 15 min late one day and will get comp time. Will discuss at the roundtable next week.

Coverage for prep at elementary level- teachers are not given the opportunity to cover their prep if needed.

Coverage for teachers in the Autism program- prep and lunch coverage

Air quality in older buildings with mold odors- how are buildings monitored for mold?

Constitution-Chair- Someone is willing to help Teresa with the Bylaw. Summarized the 14 Bylaws written by Dan Rose. Vote to withdraw 14 Bylaws because Dan Rose is no longer an employee. Teresa Buklerewicz made a motion to remove the 14 Bylaw proposals written by Dan Rose. 2nd by Bushey/Purdy- Unanimous vote- passed

Unit B Report: Carla Chase - Doering/ECC - still short staffed, Doering now hiring contracted paras from agencies. 5 vacancies at Doering, 8 vacancies at ECC

Old Business: Committee to do something for Sean? Will update next meeting.

New Business - N/A
